

Recall Petition Instructions

One or two registered voters may sign the petition by completing a box:

PART 1: Each person must in their own handwriting print their name and residence address, then sign on the line provided.

All signers on a petition must be a registered voter in the county designated on the petition.

PART 2: In the box "DECLARATION OF CIRCULATOR" you must fill in all shaded areas in your own handwriting. Follow the instructions carefully and make sure to fill in all the blanks to avoid rejection of the petition.

- Only registered voters of California may sign petitions.
- You may circulate as many petitions as you wish, however, you can only sign the recall petition once. You must sign as a circulator on every petition you circulate.
- You can circulate petitions in more than one County, but all signers of each petition must be from the same county. Start a new petition for each County.
- A petition is valid even with only one signature. Be sure if you are the single signer on the petition that you also sign as circulator. A one signature petition must have the signature in both places.
